Arkana Energy Group is located in Gold Coast, Queensland, Australia. Who are Arkana Energy Group 's competitors? Alternatives and possible competitors to Arkana Energy Group may include Alpha Energy, Global Green, and Solar-verse .

I have been quoted a 21 Phono Solar 305-320w Twin Plus Module and Sungrow SG5K-D Inverter for \$7995 after rebate installed. I live near Lismore NSW. Single story colorbond roof. 150m from pole mounted transformer. Seems a little dearer than anticipated however reviews of the system are all pretty good. Any comments?
