Eficiencia Solar: El Solar B-Box est#225; equipado con un panel solar incorporado, una bater#237;a y un motor que funcionan completamente con energ#237;a solar, reduciendo la dependencia de fuentes de energ#237;a convencionales. Inal#225;mbrico y Aut#243;nomo: El panel solar captura la luz solar y la convierte en energ#237;a el#233;ctrica, cargando la bater#237;a del motor.

bPower50 is a versatile "Plug and Play" Solar Home System, designed for the rural off-grid customers typically using candles and kerosene lamps. Once connected, the system is ready to power lights, radios and TVs as well as charge phones for households and micro-businesses.

Bandalux has launched its new Solar B-Box. It is an outdoor blind that has a built-in solar panel, a battery, and a motor that runs completely on renewable energy from the Sun. The solar-powered B-BOX does not need electrical wiring. The solar panel captures the sunlight and turns it into electric power to load the motor's battery, which makes the blind 100% autonomous.
