

Balancell energy pty ltd South Georgia and South Sandwich Islands

What is balancell - batteries with brains?

Balancell's mission is to help make this happen through giving batteries brains. We are changing the way that stored energy is supplied through batteries that manage themselves, protect themselves and report their use and condition remotely. Balancell - Batteries with Brains

Can balancell batteries change the energy landscape?

Balancell batteries have only just begun to push the boundaries of renewable, stored energy. We are helping to change the energy landscape for good. The best is yet to come.

What is a balancell high voltage battery module?

The Balancell High Voltage battery module is the heartbeat of any commercial or industrial energy storage system. Powerful, energy dense and highly scalable. Balancell in partnership with Cape Fruit Coolers roll out the first all Lithium powered forklift fleet in Africa. 32 Lithium powered forklifts to the RSA Group.

Why are balancell batteries so popular?

Due to their lower cost, high power output and reliability, Balancell batteries are already powering some of the world's biggest automotive brands and logistics businesses. And the modular system they employ means they can produce new custom designs quickly when required for different industries.
