Solar chargers: Explore using solar chargers for eco-friendly charging solutions. Using portable battery packs, Power Strips For efficient charging of your mobile devices in Bermuda, consider utilizing portable battery packs and power strips to guarantee uninterrupted power supply throughout your travels.

2 · Also, highly consider change out the oem pwm solar charger with a Victron 75/15. You might as well get all the watts you can, plus you don't want the pwm charger delivering an incorrect voltage to the panels during the week at home. (Or if you know you will add more solar in the future - look at a 100/30 or 100/50).
