Who is Bosch Rexroth Botswana?

Gaborone West Industrial, Gaborone. Plot 154, Letlhakane Industrial Side. We offer on-site fault finding & repairs as well as commissioning of hydraulic systems. We provide components for the fluid power & mobile machinery industries. Bosch Rexroth Botswana has the in-house skills & equipment to repair any hydraulic cylinder to OEM specifications.

Where is Bosch Rexroth located?

Bosch Rexroth Botswana's service centre is located in Gaborone. Chief Executive Officer (CEO) for Bosch Rexroth South Africa, Chris Riley, said the new workshop in Gaborone demonstrates Bosch Rexroth's continuing commitment as a partner in the economic, financial and social development of Botswana.

Who is Bosch Rexroth certified?

The Hytec Group is the only Bosch Rexroth Certified Centre of Competence in Africa - hence it's world-class certified repair, service, testing and installation facilities. The certification also covers the gearbox service centre, which services and repairs gearbox drives for large excavators and open cast mining trucks for OEM's.

Buildings continue to rank among the largest energy consumers. They account for nearly 40% of global carbon emissions, so addressing them is essential for achieving climate neutrality by the year 2050. Intelligent buildings monitor their own energy needs, and automatically control, analyze, and optimize themselves.
