

Cheapest rooftop solar storage installation offer in Greece

How much will a rooftop photovoltaic subsidy program cost Greece?

Two more rooftop PV subsidy programs are expected, one for businesses and one for industries, with total funds for the sector expected to surpass EUR 700 million and potentially reach EUR 1 billion. The Greek Ministry of Environment and Energy issued a public call for its EUR 238 million subsidy program for rooftop photovoltaics.

Does Greece have a solar subsidy program?

Click here for the source article Greece's Ministry of Environment and Energy has launched a EUR200m subsidy program for solar projects and small storage systems to encourage residential and agricultural segments to adopt renewable energy.

How much money does a solar energy programme cost?

With a budget of EUR 200 million (USD 217.5m), the programme will enable households and farmers to install up to 10.8 kW of PV capacity and 10.8 kWh of battery storage, Energy Minister Kostas Skrekas announced.

Are rooftop photovoltaic panels subsidized?

Rooftop photovoltaic panels combined with power storage will be subsidized by the state to up to 60% of their cost, an Energy Ministry official told the Renewable and Storage Forum on Thursday. Subsidies are for units up to 10 kilowatts, with the program's details to be unveiled for a period of public consultation within the next two weeks.

Is rooftop solar a step towards energy democracy?

Minister Kostas Skrekas said the Rooftop Solar program is a decisive step towards energy democracy, arguing that thousands of households and farmers would acquire energy autonomy, producing and storing their own green energy.

How much does the government subsidize rooftop photovoltaics?

In addition to subsidizing rooftop photovoltaics, the government has also enacted a EUR 100 million program for 120,000 solar thermal rooftop systems, with a subsidy level of 60% and a maximum support level of EUR 900 per household.

It means the program covers EUR 10,000 to EUR 16,000 for a rooftop PV combined with a battery. Moreover, there is a 10% bonus for people with disabilities, as well as for families with at least three children.
