Hi all, I'm looking for some suggestions for a portable backup battery bank/power station. I'm primarily wanting it for camping purposes but it would also form part of my preps to cover temporary power loss in the house -- I'm in the UK, there's been articles suggesting power cuts over winter due to the energy crisis -- and I figure this is as good a place as any to ask.

But there's an easy solution: a portable battery or power bank. These are available in many sizes and capacities, and can include lots of handy features like fast charging and multiple ports ...
