Dominica's first electric car was owned by Domlec, the island's power company. Unfortunately, it was in an accident and is no longer on the road. Dominica's second electric car is owned by an off grid eco lodge Caapi Cottages Retreats, above Cochrane village. It is a 2015 Nissan Leaf purchased, online.

Dominica solar electric kit

Understanding Grid Tie Solar Panel Kits. With the rising cost of energy prices, solar home kits have become increasingly popular. These grid-tie kits provide the essentials needed for setting up your home to receive electric power from the sun. Some things to consider regarding the usage of solar home kits include:
