

ESS container project financing options in Tunisia 2025

How much money did the European Investment Bank invest in Tunisia?

It signed EUR35.5 million in funding for education, food resilience and the energy transition. The European Investment Bank (EIB) upheld its strong commitment to Tunisia by signing EUR415 million in new financing in 2024, consolidating its role as a key partner in the country's economic and social development.

What did EIB do in Tunisia in 2024?

Jean-Luc Revault, Head of the EIB Representation in Tunisia, emphasized: "In 2024, we delivered on our commitment to Tunisia through financing that addresses the concrete needs of businesses, communities, and citizens. Our ongoing projects enhance mobility, facilitate access to credit, and support the energy transition.

How does the EIB support Tunisia's Economic and social development?

In 2024, the EIB backed several strategic initiatives to strengthen Tunisia's economic and social development. Among these commitments, the modernization of the Sfax-Kasserine corridor represents an investment of EUR210 million.

How does the EIB support SMEs in Tunisia?

Support for micro, small, and medium-sized enterprises (MSMEs) is another priority for the EIB. Through the "Tunisia Economic Recovery" program, the Bank mobilized EUR170 million to facilitate access to financing for MSMEs, which account for 90% of Tunisia's entrepreneurial landscape and employ 60% of the workforce.

How will EIB support SMEs in 2025?

Now in 2025, we are adapting our support by stepping up finance for sustainable infrastructure, bolstering our support for SMEs, and backing innovative energy and urban planning projects," said Head of the EIB Representation to Tunisia Jean-Luc Revault.

What is Tunisia's Economic Outlook for 2025?

This outlook reflects information available as of April 10, 2025. Tunisia's economic outlook remains challenging, with economic growth at 1.4 percent and job creation stagnating in 2024, amid a drought and limited demand. With tighter external financing, the government has relied more on borrowing from the Central Bank.
