The Dendera Light is a depiction on a stone relief at the Hathor Temple, located at the Upper Egyptian temple complex of Dendera. It has been a major source of controversy in Egyptian history ...

The term LMS is used in the world of education by many institutions. What most educational institutions are actually using is LCMS, which is complimentary to the learning. We, at TMS, are using LMS as a concept of education that is paralleled by select universities in the world. LMS combines e-learning, interaction, reporting, and assessment guidance all in one.
