

Evero energy hull South Sudan

Is Evero energy looking for a buyer?

Meanwhile, the shutters have come down at Energy Works, with operation at the plant suspended. According to a report by specialist waste news website ENDS Waste & Biodiversity, its owner Evero Energy is looking for a buyer after struggling to process enough waste to make it economically viable.

Does Steve McCloud want to buy energy works?

Out on the River Hull, not a single delivery by barge has ever been made. Back in his cafe, Steve McCloud admits little interest in the ongoing legal battles surrounding Energy Works. He's more interested in what happens next. "I've been told it's being closed for six to eight months to see if anyone is interested in buying it.

Where is Steve McCloud in Hull?

Steve McCloud ushers me into his hot food takeaway and cafe and we sit at a table as the shutters are pulled down for the day. We are in the middle of Hull's old industrial district, which straddles the winding curves of the river that gives the city its name.

options for delivering efficient and sustainable energy in South Sudan for both short and long terms. 2. An overview of the energy situation 2.1.
