reduction protected by undervoltage safeguards. Trusted by Thousands.

THE paradoxical phrase "running away forward" is one of the most apt descriptions that illustrates the state of Israeli affairs now. It seems that everything that Israel has done in the past year or so is a mere attempt to deny, distract from or escape imminent future scenarios -- all of which are bleak.

Powerstar Motor Manufacturing Co.,Ltd established in 2012 is a professional manufacturer and exporter that is concerned with the design, development and production of AC motors, including: air conditioner, air curtain, air cooler, ...

Formed in 2001 in Sheffield, Powerstar is a market-leading smart energy solutions manufacturer. Through extensive investment into research and development, we have developed an impressive range of advanced hardware ...

Protesters have increased their tempo since Israel's latest war on Gaza. Elbit Systems is a major supplier of weapon and military components to Israel, which has killed more than 42,000 people in Gaza since October 7. A Palestine Action spokesperson said: "Through a focused strategy, direct action has achieved multiple successes and forced ...

Israel uses two different plug types: C and H. Plug type C is the standard European plug with two round pins. Plug type H is similar to type C but with two additional earth clips on the side. While both plug types are used in Israel, plug type C is more common. The standard voltage in Israel is 230 volts and the frequency is 50 Hz.

16% say the UK should support Palestinians, while 8% say the UK should support Israel. There is a clear divide by age. Among over 55s, 62% think the UK should be neutral, 13% that it should support Israel, and 6% the Palestinians. Among 18-34 year olds, 31% think the UK should be neutral, 5% that it should support Israel, and 31% the Palestinians.

Shifting political conceptions of Israel From Israel's creation in 1948 to today, views on the nature of the Jewish state have passed through several stages - but what remains constant is the projection of imperial power in the region, which is the barrier to peace and Palestinian self-determination, writes NICK WRIGHT

Israel is one of the 10 most powerful, politically influential, and militarily strong countries in the world, according to a roundup for 2022 published by US News & World Report.
