

Maldives samlexamerica

Who is samlex America?

Today, Samlex America is a global manufacturer of power conversion products with a market footprint covering over 90 countries, and manufacturing facilities in Canada, US, Netherlands, Taiwan, and China.

Who is samlex solar?

In 2009, Samlex started serving customers' recreational power needs in the RV, marine, and off-road markets with the launch of the Samlex Solar brand. This means we serve a wide range of people who depend on us every day. We are proud of our history and even more excited for the future.

What industries does samlex serve?

Samlex now serves a wide range of commercial industries, including public safety, government, work trucks, wireless communications, two-way radio, oil and gas camps, medical cart, warehouses, commercial marine, and many custom applications through our OEM programs.

Join the Samlex Team. Building lasting partnerships is the centerpiece of our business philosophy. Whether it is our distributors, dealers, or employees, we believe in teamwork and creating power conversion solutions that elevate people's and business lifestyles.

A friend recommended Samlex America as a solution to my potential problem and that's how I ended up using the Samlex EVO 3000W Inverter/Charger on our boat. At one point I had a small issue with the performance of the inverter. I sent the data from the SD card to their tech team and within 2 days they had sent me a newly programmed SD card ...

SAM Series low interference, high efficiency modified sine wave DC-AC inverters convert 12 VDC to 115 VAC at an output frequency of 60 Hz. Connect through any 12V lighter socket in your car, boat, truck or RV, or use the battery clamps to connect directly to your battery.

Whether you're a weekend warrior or a full-time RVer, Samlex America has the power you need. Enjoy the best that nature and RVing has to offer while enjoying the simple pleasures of life. Stay in touch with family, charge your devices, watch a rainy-day movie, or brew your favourite cup of coffee.
