275 votes, 123 comments. true. I don't really watch TV anymore apart from live football games but Polish broadcast on any station really has shit ton of those, I think I once counted it like 3-4 years ago and there were about 5 in a row, many of them repeating in the same 1 hour timespan.

The 1,366-MW PGE Gryfino Dolna Odra power station, which entered commercial operation on Nov. 8, 2024, is Poland's largest gas-fired power station. It is expected to supply about 5% of country ...

It would be hard to argue life in Poland is anything but beautiful. What I mean is there are just as many things in Poland as in the USA to buy and consume, however, the culture here is people would rather spend their time in a park reading a book than a mall. People are much closer to their families and often live three generation in the same ...

Beuase Poland is a safe country and Warsaw is a safe city. The more I hear foreigners being surprised about this, the more I'd fear to live somewhere else. I am able to go for a night walk without fear (even with headphones on) and I don't even need pepper spray. 99% of ppl are joggers and dog walkers (Although my mum is not happy about this, she's afraid of some ...
