

Portable solar powered generator Ukraine

Why should Ukraine send portable electricity generators?

Business and Energy Secretary Kwasi Kwarteng said: Sending portable electricity generators to Ukraine will help keep essential services running, weaken Putin's attempts to cripple Ukraine's power supply, and help support the extraordinarily brave Ukrainian response to the Kremlin's war waging. Foreign Secretary Liz Truss said:

How many portable generators will the UK send to Ukraine?

The UK government has unveiled plans to send more than 500 portable generators to Ukraine in order to help provide electricity to power essential services such as hospitals and shelters.

Does Ukraine need generators?

Winter is coming and now, more than ever before, Ukraine needs generators. While there are many very urgent items that are needed, that most critical items right now are Power Generators. Subscribe to follow campaign updates! Thank you so much to all of you for supporting our generators drive!

Why are so many people unable to get electricity in Ukraine?

As a result of brutal attacks and air strikes on Ukrainian energy infrastructure, currently millions of people in Ukraine remain without a stable electricity supply, heat, and water. Everything is connected to electricity.

What is RePower Ukraine Charitable Foundation?

RePower Ukraine - Main priority for the RePower Ukraine Charitable Foundation is to provide benefits of renewable energy and storage for hospitals, who currently suffer due to the daily power outages caused by military air strikes on Ukrainian energy infrastructure started since September 11, 2022.
