Asia threaten Antigua and Barbuda's competitive position.6 Continued efforts to rethink its development strategy for the coming decades will help Antigua and Barbuda remain an active player in the international tourism market. Antigua and Barbuda is similar to many countries in an increasingly globalized and competitive world.

Antigua and Barbuda are coral islands with rugged volcanic hills in the south and limestone deposits in the north. The island was sighted by Christopher Columbus in 1493 and colonised by the British in 1632. After three hundred years as a British Colony, Antigua and Barbuda gained its independence on November 1, 1981.
