Order Form. In order for the power supply to work, it requires a battery. You may order one battery (allows for up to 8 hours of life) or 3 batteries (provides you with up to 24 hours).

Martinique, a French overseas territory located in the Caribbean, has a population of around 370,000 people, mostly concentrated in the capital, Fort-de-France. The island's hilly and volcanic terrain presents challenges for infrastructure development, including telecommunications. Despite this, Martinique boasts a fairly modern and well-developed telecommunications infrastructure.

End of Life (EoL) of PS48NPFC20 replaced by 48NPFC-20-2.0L. Products Affected: PS48NPFC20. Description of Change: UPDATED: Concerns with terminations on the left hand side has led to move terminal from the left hand
