Apple Part Number Fully tested, 100% working. Minor signs of use if any. Printed Part Number(s) All our parts are 100% Apple genuine unless otherwise specified. This policy may be changed at our discretion. Our Products.

The STBC02 and STBC03 battery-charger management chips improve integration without compromising performance and power consumption. They combine a linear battery charger, a 150 mA LDO, two SPDT switches and a Protection Circuit Module for the battery. Moreover, the STBC02 features a digital single wire interface and a smart reset/watchdog function.
