

School solar storage tender price in Ireland 2026

Where can I find latest Ireland solar tenders & eProcurement notices?

TendersOnTime, the best online tenders portal, provides latest Ireland Solar tenders, RFP, Bids and eprocurement notices from various states and counties in Ireland.

How can schools benefit from a solar PV system?

The scheme will fund up to 6 kilowatts of roof-mounted solar PV, which equates to approximately 16 solar panels. Connection to the grid will be included, to allow unused solar energy to feed to the grid when schools are closed. This will enable schools to be compensated for renewable energy exports to the grid.

What is the solar PV Schools Scheme - schools photovoltaic programme?

The new phase of the schools solar panels grant has been announced and Clean Energy Solar are happy to tender for the installation of Solar PV under the Solar PV Schools Scheme - Schools Photovoltaic Programme. Clean Energy Solar have been installing solar panels and solar PV systems for over 18 years.

What is the solar panels for Schools scheme?

The new scheme will fund up to 6 kilowatts of roof-mounted solar PV for all eligible schools. This also includes connection to the grid and a monitoring and display screen. The Solar Panels for Schools Programme is aimed at heating schools in a more affordable manner with over EUR50 million announced in funding.

What does the school solar panels grant cover?

The schools solar panels grant covers: Up to 6kW of Solar PV - Installation of approx. 14 solar PV panels as well as all associated electrical components - inverter, isolators, cabling etc., in order to enable safe connection to the school's main distribution board.

How will a school authority get a solar PV system?

Invited School Authorities will be provided with funding approval from the Department of Education to enter a contract following a competitive public procurement process for the provision of a solar PV system. This system will be designed, installed and commissioned by a contractor on the SEAI Non-Domestic Micro-Generator (NDMG) Company list.
