To support the green transition in Kosovo*, the European Investment Bank (EIB) has signed a EUR33 million investment loan for the construction of one of its largest solar photovoltaic plants near Pristina - with a capacity of up to 100 MWac (120MWp). By increasing the share and capacity of solar energy in power generation, the project will contribute to energy supply ...

Unisolar LLC, was founded in January 2021, by electrical energy engineers and the renewed one: Mr. Bujar Guci in Kosovo. Unisolar LLC was founded seeing the need for a serious company, which would be closer to the customers in the field of renewable energy. In a short time the company Unisolar L.L.C. became a leader in the field of renewable energy in Kosovo and the ...
