Phocos understands what green wholesale distributors need to be successful -- quality your customers can trust. After all, your reputation and service are what bring customers back ...

Planning to go solar with a 8-9KW grid tied system. Got quotes from a few companies in my area, one of which was Solar Wholesale, which is a DIY kit. The price difference was pretty small, less than \$1500 for the same size system between Solar Wholesale and a local company which does the install and everything, so it doesn't make sense to DIY.
