Hello, I recently bought a A229 Pro - 3CH. I also bought a dashcam battery: Energywell P6 96WH. The battery is hardwired using Fuse taps to the car battery. The Dashcam is connected to the battery using USB cable (not using the HK4 hardwire kit, but USB output of the battery). I have two...

Energywell was formed around a commitment to specific set of Environmental, Social and Governance (ESG) framework dimensions that guide the execution of our company's strategy. This includes specific targets and a detailed plan of action. Our strategy aligns with the Sustainable Development Goals 7, 11, and 13.

Suriname: Many of us want an overview of how much energy our country consumes, where it comes from, and if we're making progress on decarbonizing our energy mix. This page provides the data for your chosen
