Is Sun King a solar company?

In 2009, Sun King sold its first solar-powered lamp. Today, Sun King is the world's leading off-grid solar energy company. Sun King's 3,000 employees and 26,000 field agents have served 120 million product users based in 65 countries around the world.

Does Sun King offer energy solutions?

Historically focused on selling, installing, and servicing individual solar products for households and businesses, Sun King expanded its focus in 2023 to offer tailored 'Energy Solutions' for multi-site institutional clients in challenging off-grid or weak-grid locations.

Why is Sun King a leading solar provider in emerging markets?

Sun King's growth has been supported by strategic partnerships. Collaborations with companies like Verto and Citi have made solar energy more attainable by offering customers flexible payment plans. These alliances have strengthened Sun King's position as a leading solar provider in emerging markets.

What is Sun King PAYG financing?

Sun King's PAYG financing model makes solar affordable to virtually all off-grid and weak-grid homes, allowing customers to leapfrog electrical grids and fossil-fuel energy sources entirely. Households receive high-quality equipment, which they can then pay off as they use the asset.

How did Sun King grow?

As Sun King grew, it expanded its product line to include solar home systems designed to meet diverse customer needs. These systems allowed families to power lights, charge mobile phones, and run small appliances. The company's customer-focused approach and commitment to affordability drove its rapid growth across Africa and Asia.

How much money has Sun King raised?

Sun King's success attracted significant investor interest, leading to a series of funding rounds that fueled its expansion. Since its inception, Sun King has reportedly raised over \$400 million across multiple rounds. A major milestone was its \$260 million Series D round in April 2022, led by General Atlantic.
