

# Timor-Leste solar energy provider

Is there a market for roof-top solar energy systems in Timor-Leste?

Australia's Market Development Facility (MDF) and ITP Renewables conducted an assessment of the potential market for roof-top solar energy systems in Timor-Leste.

Who is responsible for the electricity sector in East Timor-Leste?

Since 2002, the Government of Timor-Leste has been responsible for the administration of the electricity sector in East Timor-Leste. Responsibility was transferred from the East Timor Transitional Administration (ETTA) in August 2001. Four main laws have shaped the development of the electricity sector since 1999.

What does a solar technician do in Timor-Leste?

Technicians in Timor-Leste have experience in small-scale, off-grid solar energy systems. Commercial or industrial scale installations are more complex and appropriate technical capacity is scarce.

Is Timor-Leste a good country for solar energy?

Timor-Leste has a high-quality solar resource. The global horizontal irradiance in Dili is higher than on the east coast of Australia, where the solar market is mature and installation costs are higher. The cost of electricity in Timor-Leste for commercial and industrial consumers is high compared to ASEAN countries.

How much energy does Timor-Leste consume?

Timor-Leste produced 0.29 quadrillion BTU (293,968,074,000 BTU) of energy, covering 3,412% of its annual energy consumption needs. Energy production and consumption in Timor-Leste comes from various sources: 0.003% from nuclear and renewable sources and 99.997% from non-renewable fossil fuel sources (petroleum and other liquids, natural gas, and coal).

Does Timor-Leste have a demand for solar?

3 MDF survey on understanding demand for solar in Dili, Timor-Leste. Timor-Leste's rooftop PV solar industry is new and undeveloped. Limited availability of maintenance and spare parts inhibits some businesses from switching to solar.

Timor-Leste (East Timor) - known for its beaches, watersports & mountains. It is also one of the newest countries in the world, ahead of Montenegro (2006), Serbia (2006), Kosovo (2008) & South Sudan (2011).. Unfortunately, Timor-Leste is the least visited country in Southeast Asia (even Brunei gets more)... but what can you do in the country?. You should ...
