# Unistar energy solutions Pitcairn Islands

Discovery of Pitcairn Island . Captain Philip Carteret first spotted Pitcairn Island in 1767 but couldn't land due to rough seas. He miscalculated its location, marking it miles away from its true position. Years later, Captain Cook showed some interest, but it wasn't until the Bounty mutineers arrived in 1790 that the island gained attention.

Key to changing the energy mix is effective energy storage solutions, where energy is produced energy needs to be stored and consumed when demand doesn't meet production. IPS is working in innovative compressed air storage solutions, in cooperation with CTG, for storage of energy in the ground, as well as traditional options like large scale ...
