Who is Webel solar weSol energy system limited?

Webel Solar WeSol Energy System Limited is India's leading PV solar cell and solar module manufacturer and is known to offer highly-efficient Mono PERC PV solar cell.

Who is weSol energy system limited?

WeSol Energy System Limited (WESL) has been in the business of producing and selling solar photovoltaic cells and modules since 1994. It was first established as an Export oriented unit in a joint venture with WEBEL, an Electronic Development Corporation of Government of West Bengal and in technical collaboration with Helios Technology of Italy.

Why is weSol Energy System Ltd not able to pass on costs?

The intense competition in the solar cell manufacturing business has severely limited the negotiating power of WeSol Energy System Ltd over its customers. As a result, it is not able to pass on an increase in its raw material costs to its customers.

How did weSol Energy System Ltd try to become a subcontractor?

WeSol Energy System Ltd tried to become a subcontractor to Chinese solar equipment manufacturers by making modules in their name to keep its business running. It even attempted to enter into the retail business by alliance with Exide. It attempted to enter into the EPC business multiple times.

Is weSol Energy System Ltd behind the curve?

Companies with modest financial strength like WeSol Energy System Ltd that do not have the resources to lead the research & development (R&D) in the industry, generate new technologies, and therefore, have to follow the industry for technology, might always be behind the curve.

Does weSol Energy Systems Ltd have an internal audit system?

For a significant part of the company's history, WeSol Energy Systems Ltd did not have a formal internal audit system, which is a significant weakness. FY1997 annual report, page 9: Company does not have a formal internal audit system. Until FY2010, the company did not have an internal audit system. FY2010 annual report, page 52:
