

Zebra renewables Angola

Access to clean, modern, and reliable energy in Angola remains low - 33% countrywide, 69% in urban areas, only 6% in rural areas (IEA, 2016). As part of its long-term development strategy the Government of Angola (GOA) aims to expand electricity access to 60% of the population by 2025. Renewable energy (RE) will constitute 70% of the country's ...
